

Update the Related Links Menu

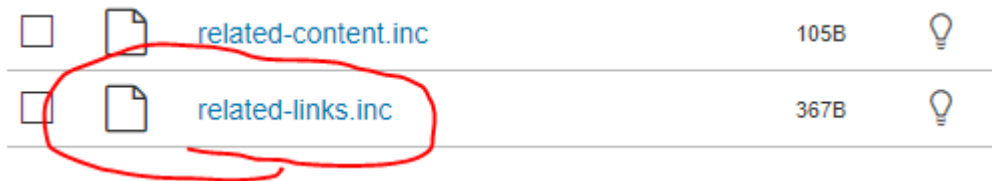

1. Log into OU Campus via the webpage you want to edit:

2. Click the **pages** link in the header to access the file/folder view of OmniUpdate:

3. Click the **related-links.inc** file to toggle into editing mode:

4. You can now edit items in the related links menu.

To add or remove hyperlinks, use the icons in the toolbar:

5. When done, click **Save** and **Publish** the page:
