## ADDENDUM 1

This addendum contains clarification and additional information, which modifies the conditions of the above referenced BID/RFP as follows:

Addendum No.1 Merced Community College District Wireless Access Point Deployment Stadium and Soccer Field Pre-Bid Q & A. (below and Attached)

1. For the trenching around the soccer field, is hand seeding acceptable?
  - a. Yes, as the trenches do not pass under the actual soccer field.
  
2. Will the stadium be open during construction? Will we need to work around events? Will a temporary fence be required around the stadium?
  - a. A temporary fence will not be required.
  - b. Some coordination will be required, however, as the project does not involve any disturbance of the track/field it should be minimal.
  - c. It's expected that to the greatest extent possible the crew will clean up at the end of every shift. If there is an area where an item persists overnight (new concrete, etc) temporary caution tape will be required.

### SPECIAL NOTE:

**It is the responsibility of each Bidder to acknowledge all addenda by signing below and submitting a copy of each addendum with their respective bid.**

I HAVE READ AND UNDERSTAND THESE MODIFICATIONS TO THE ABOVE BID:

---
