Merced College Diagnostic Radiologic Technology Program

2023 SAMPLE APPLICATION

Diagnostic Radiologic Technology Program Application

Introduction
Diagnostic Radiologic Technology Program Application
Prerequisites

Acknowledgement of Student Responsibilities

I have read all of the material contained in the Diagnostic Radiologic Technology Program's Information for Prospective Students and Application Instructions found on the "How to Apply" page.

I understand it is my responsibility to meet program prerequisites, ensure equivalency, follow proper application procedures, provide transcripts, and stay informed of revisions regarding degree requirements, program requirements, and selection process.

I understand that there is no wait list. Qualified applicants will be selected by lottery.

I understand that if I submit an application that is incomplete, or does not meet program prerequisites/application requirements, I will be disqualified.

I understand that if I am selected by the program, failure to notify the Allied Health Office of my acceptance or declination in the allotted time given, constitutes grounds to assign my position to the next qualifying applicant.

I understand if I decline acceptance into the program I may apply at a later date.

I understand that general education requirements for the A.S. Degree are subject to change with the publication of each year's new Merced College school catalog.

I understand Merced College reserves the right to revise Program Prerequisites and/or Selection Procedures.

I understand that if I am dismissed from the program, I will not be eligible for re-admittance into the program.

Students must adhere to clearance requirements in order to be accepted into, and continue enrollment in, Allied Health Programs' clinical courses. Requirements include: background checks, drug screenings, vaccinations and boosters (for example, COVID-19). Merced College Allied Health Programs do not accept religious nor medical exemptions.

Upon acceptance into the Diagnostic Radiologic Technology Program, you must meet ALL CURRENT requirements.

Limitations on Enrollment/Requirements: COVID -19 vaccine/booster, Tdap, MMR, HEP A, HEP B, Varicella, Current Flu Vaccine, Negative TB Test or Negative Chest X-Ray, CPR Certification (American Heart Association - BLS), Physical, criminal background and drug screening clearances. Additional immunizations, drug screenings and background checks may be required throughout the program for clinical rotations.

Further information will be provided at the MANDATORY orientation. Failure to attend the orientation or to provide required documentation by deadlines may cancel admission to the program; refer to the most current RT Student Policies & Procedures HB: <https://www.mccd.edu/academics/alliedhealth/diag-rad/index.html>

* I acknowledge that I have read and agree to above statement.

Review

* I certify that all information provided in connection with this application is true, correct and complete. Providing false information or omitting required information is fraud and grounds for denial of enrollment or immediate expulsion from the Merced College Radiologic Technology Program.

Signature*

Date* Date will be captured on form submission

Before submitting your application, double-check you selected the correction application type. Be sure to include all necessary documentation; multiple submissions will not be allowed. No exceptions.
