BASIC SKILLS

Adult Literacy Level 2 (ENG-123)

Students will read level-appropriate text (400-499 Lexile) with accuracy, at an appropriate fluency rate; write opinion pieces or simple informative text; become familiar with the use of print and digital search tools; and be introduced to guided research.

75083 MW 04:15PM–06:15PM Cates, Karen
Merced College Los Banos Campus Room A-108

Adult Literacy Level 3 (ENG-124)

Students will read level-appropriate text (500-690 Lexile) with accuracy, at an appropriate fluency rate; write guided assignments based on prompts that attempt to organize, compose, revise, and edit; use print and digital search tools to locate information relevant to a topic; and participate in guided research at the appropriate level.

75085 MW 04:15PM–06:15PM Cates, Karen
Merced College Los Banos Campus Room A-108

Adult Literacy Level 4 (ENG-125)

Students will read level-appropriate text (700-1090 Lexile) with accuracy, at an appropriate fluency rate; write opinion pieces, supporting a logically ordered point of view with facts and reasons based upon source material; use print and digital search tools to locate information relevant to a topic to broaden an understanding of the topic; and participate in guided research at the appropriate level.

75087 MW 04:15PM–06:15PM Cates, Karen
Merced College Los Banos Campus Room A-108

Reading For Older Adults (ENG-521)

This course is designed to assist older adults in identifying and examining personal interests and aptitudes through reading to enhance mental acuity and creativity, as well as the appreciation of the arts and literature.

95159 TTH 10:30AM–11:30PM Piro, Vincent
Merced Business Resource Center Room-210

***Enrollment in any of these four College Prep Math courses is for students who have not earned a High School Diploma, High School Equivalency, or GED. Instructor may participate via Canvas/ Zoom.**

College Prep Math I: Operations of Whole Numbers (MAT-101)

This is an introductory course of the whole number system, including counting, notation, and the number line. Particular emphasis is placed on the basic computational skills, addition, subtraction, multiplication, and division.

95062 MW 11:00AM–12:00PM Bell, Steve
Live Stream Online

College Prep Math II: Applications of Whole Numbers (MAT-102)

This is an introductory course of the whole number system, with an emphasis on application problem solving. Particular emphasis is placed on the area, volume, and perimeter of geometric figures.

95063 MW 11:00AM–12:00PM Bell, S Steve
Live Stream Online

College Prep Math III: Operations on Fractions (MAT-103)

This course begins with a short review of the whole number system, exponents, and the order of operations. The course covers fractions, and the four basic operations using them: addition, subtraction, division, and multiplication. Special emphasis will be placed on thought problems, including life skills. Conclusion with intro to ratios, rates, and proportions.

95064 MW 11:00AM–12:00PM Bell, Steve
Live Stream Online

College Prep Math IV: Operations on Decimals (MAT-104)

This course begins with a short review of fractions. The course covers the meaning of decimals, and the four basic operations using them: addition, subtraction, division, and multiplication. Special emphasis will be placed on thought problems, including life skills. The course will conclude with an introduction to unit conversions, and basic geometry.

95065 MW 11:00AM–12:00PM Bell, Steve
Live Stream Online

High School Completion (GED-101)

This 144-324 hours course is designed to build the basic academic skills of adult learners in reading comprehension, language and evidence-based writing, mathematical reasoning, life, physical, and earth sciences, and social science. Emphasis on analytical reading skills, problem solving, and test preparation.

The content of this course is reflective all new modifications to the GED exam. Subject matter included are the areas covered by the GED exam such as science, social studies, literature, math and writing.

Merced College Los Banos Campus A-105

Spanish in the Workplace (LANG-716)

This class is designed for non-Spanish speakers who wish to develop specific conversational skills that are related to their work or community environment. Emphasis will be on fundamental conversations and vocabulary related to the student's particular needs. A previous knowledge of Spanish is not necessary. This course will result in improved communication with Spanish speakers - students, patients, customers, and clients.

75097 MW 04:30PM–06:30PM Wynne, Carole
Merced College Los Banos Campus Room B-112

Reading and Computers (EDU-110)

This course is best suited for adult learners below the third grade reading ability that need individual attention, encouragement, and reinforcement while learning basic phonics, reading, spelling, and vocabulary skills. The student can learn at his/her own rate of speed with computer assisted instruction.

95016 MTWTH 09:00AM–11:30AM Vitato, Jan
Business Resource Center Room-215

Reading and Computers II (EDU-111)

This course is best suited for those adult learners at third grade reading and vocabulary level up to approximately sixth grade level that require individual attention and reinforcement while reviewing basic phonics, reading, spelling, and vocabulary skills.

95017 MTWTH 09:00AM–11:30AM Vitato, Jan
Business Resource Center Room-215

Skills Acquisition for Student Success & Tutorial Center (SSTC) Open Lab (EDU-112A)

Supervised learning experience for Merced College students who are enrolled in credit courses and can benefit from individualized instruction in study skills and study habits. The study skills and study habits learned depend on the needs of individual students and include communication/literacy skills, quantitative

reasoning skills, critical thinking skills, educational computer applications, knowledge of college resources, and application of composition skills across the curriculum.

There are no fees for this course and attendance is optional. The SSTC Virtual Office can be accessed through the EDU-112A noncredit Online Tutoring Canvas course shell. The free services provided through the Canvas course shell include: online tutoring by MC tutors, faculty and staff support, student success webinars, and academic support resources, including videos and tutoring materials.

Foundations in Academic Literacy I For Non-Native Speakers (ENG-822)*

For ESL students. It focuses on critical reading and thinking skills, research strategies, compositions with proper documentation, and advanced editing skills.

Students compose academic writing informed by assigned readings, discussion, and/or research using primarily non-fiction source material.

* **Deadline to enroll is the first two weeks of instruction.**

95112 TTH 01:00PM–03:15PM Diaz, Kathelyn
Merced College Interdisciplinary Academic-146

OLDER ADULTS

Designed to offer lifelong education that provides opportunities for personal growth and development, community involvement, skills for mental and physical well-being and economic self-sufficiency.

These courses are offered primarily for older adults in the community; however, any adult 18 or older may participate.

Registration takes place in class unless otherwise noted. No registration fees.

Mature Driver Improvement (EDU-508)*

This course is designed primarily for drivers age 55 and older. Students receive classroom instruction on driving safety, road courtesy, improving driving performance, and safe driving techniques for emergencies.

This course is 8 hours in duration. Free certificate provided. Many auto insurance companies offer discounted premiums upon proof of course completion.

*These are scheduled face-to-face. If stringent restrictions do not allow us to offer them face-to-face, courses would be postponed.

Please call our office at (209) 381-6540 to preregister for this course and to be informed of any postponements.

Theater Production In The Community for Older Adults (ARTS-520)

Enrollment by audition or interview with the instructor. Signature is required.

This class offers the older adult community members the opportunity to perform theatrical roles and/or learn the basics of technical positions in theatrical rehearsal and public performance.

Under the guidance of the director(s), and designer(s), community members will learn the practical skills required of their positions and apply them throughout the production and performance phases of a play or musical.

Community members are encouraged to repeat the course as the play or musical selection will differ from one semester to another.

For more information and to schedule your audition or interview, please contact Professor Lauren McCue-Bryx: lauren.mccue-bryx@mccd.edu.

FREQUENTLY ASKED QUESTIONS

Q. What are noncredit classes?

A. Noncredit classes are free classes offered by the Adult Education & Noncredit Program at Merced College. Students only have to provide for the cost of materials, such as books and material fees where applicable.

Q. Who can take a noncredit class?

A. Noncredit classes are open to individuals in the community who are 18 years or older. Certain noncredit classes may have a limitation on enrollment. Persons interested in those classes must meet the criteria to enroll. Please contact our office if you have any questions at (209) 381-6540 / noncredit@mccd.edu.

Q. How do I register for noncredit classes?

A. Registration can be done online following the application and enrollment process described on page 10. Call our office at 209-381-6540 or 209-384-6334 if you need assistance with this process to request an appointment for a Zoom session.

***Hablamos Español.**

Q. What if I don't have or have forgotten my social security number?

A. We don't require that you provide a social security number.

Q. What happens if I cannot make it to the first day of class?

A. Most noncredit classes are open enrollment. If you miss the first class meeting, be sure to attend the next one. However, we strongly recommend that you attend the first class meeting as classes may be cancelled due to insufficient enrollment.

Q. How do I know what classes are being offered?

A. This Schedule of Classes provides information of our courses that are current as of the day the schedule was printed. We continue adding courses, so please visit our website to know about them at: <http://www.mccd.edu/offices/noncredit/schedule.html>. Chat live with us at www.mccd.edu/noncredit.

Q. Will I get a letter grade?

A. No. However, some noncredit courses do offer certificates of completion or certificates of competency in specific programs.

Q. Can I repeat the same noncredit class?

A. Yes. You may repeat a noncredit class as many times as you need.

Q. Do I have to pay for parking?

A. Parking permits are required for classes held at the Main Merced College campus and the Los Banos campus. Daily permits can be purchased from parking permit dispensers located throughout campus for \$2.00. Semester parking permits are sold too for \$30.00 (Fall/Spring) and \$15.00 for Summer.

Q. Whom can I contact for more information?

- Call our office at (209) 381-6540
- Email us at noncredit@mccd.edu
- Visit our website at www.mccd.edu/noncredit
